MeritDirect Expands CMPMedica's List Portfolio with the Addition of Three Files!

(WHITE PLAINS, NY – Effective November 2nd, 2009) – [MeritDirect](#) has expanded its CMPMedica's portfolio to include the following: **Diagnostic Imaging, Oncology, and Psychiatric Times.**

- [Diagnostic Imaging](#) | Universe: 32,100+

Diagnostic Imaging, The news magazine of Imaging Innovation and Economics, is the leading publication in the imaging industry. This magazine serves professionals such as radiologists, nuclear medical physicians, chief technologists, department and hospital administrators, researchers, and instructors. These professionals use diagnostic imaging technology, such as MR, CT, ultrasound, nuclear medicine, radiography and fluoroscopy, to help with office-based care, in-patient and out-patient hospital care, medical education, research, and medical consulting.

- [Oncology](#) | Universe: 22,500+

ONCOLOGY is a monthly journal whose primary purpose is publication of articles relating to practical management issues in the care of patients with neoplastic diseases. It circulates to 22,000+ cancer care clinicians and is indexed in seven databases including Index Medicus, Excerpta Medica, EMBASE, SciSearch, Research Alert, Current Contents/Clinical Medicine and the CancerLit and Cancer Line databases at the National Cancer Institute.

- [Psychiatric Times](#) | Universe: 41,300+

Psychiatric Times reaches over 41,000 patient care psychiatrists in the office and hospital settings. It provides lively, accurate coverage of the most clinically relevant issues in psychiatry. It also offers objective, unbiased coverage of clinical and practice management issues, independent of any professional psychiatric association.
