**MeritDirect Now List Manager of NASA Engineers, Technicians & Scientists Masterfile from Intelimap Inc.!**

(WHITE PLAINS, NY – Effective immediately) – [MeritDirect](#) has been named as list manager of the **NASA Engineers, Technicians, & Scientists Masterfiles**.

- [NASA Engineers, Technicians, & Scientists Masterfile](#) - Universe: 18,700+
- [NASA Engineers, Technicians, & Scientists Email Masterfile](#) - Universe: 10,500+

**NASA Engineers, Technicians, & Scientists** are always searching for new ways to expand their businesses and operate more efficiently. These individuals are well educated affluent men and women who are proven buyers of high quality goods and services. NASA's mission is to pioneer the future in space exploration, scientific discovery and aeronautics research. To do that, thousands of people have been working around the world -- and off of it -- for 50 years, trying to answer some basic questions.

MeritDirect recommends these files for offers including subscriptions, hardware software, books, business related publications, training and seminars, electronic-related and general business catalogs, financial services, high-ticket gifts, and more.

For additional information from MeritDirect, please contact [John Ganis](#) at 914.368.1024.
